

Add fun and feeling to the most unforgettable moments by a beautiful and original way. Introducing PhotoEmoji.

Rio de Janeiro, August 31st, 2017 - Emojis have become an everyday part of the western culture, a part of text messaging and even picking their feature film. Some people today read emojis just as they read words, deciphering the faces to create a meaning out of messages. Cute, enormously influential: they are the perfect decoration topper for any desk, which is why has turned them into a collection of PhotoEmojis.

That is why the PhotoEmojis are perfect for those photos that have provided you with some of the most unforgettable moments in your life and the opportunity to match your pictures to the emojis they best represent. Something funny? Pick the laughing PhotoEmoji. Something with your partner? Heart eyes all the way. Also help you remember schoolwork, shopping list, or anything else important that you must not forget. Is incredible of how this simple and unique product can light up every desk or location where it was placed.

The entire collection of PhotoEmoji has been developed with great care and attention, The PhotoEmoji team worked hard in each detail since the design until the material to reach an excellent product to be on a par with to display your amazing moments of your life.

PhotoEmojis are also an excellent choice for a gift, they are original and perfect to give your friends and family. Send a PhotoEmoji Poop to your best friend with the picture of you two or give the PhotoEmoji Nerd to your coworkers holding a photo of your entire team, they will surely love it. Starting today, anyone can back PhotoEmoji on Indiegogo at <https://igg.me/at/photoemoji>
